

BacoMind™ is a patented and standardized form of Bacopa extract. It has been clinically studied for its effects on cognitive performance in the elderly and in children. It may also promote memory and healthy anxiety levels. Unlike generic Bacopa extract, BacoMind contains 9 different bioactive compounds.*

Suggested Use: As a supplement take two capsules per day to support cognitive function, memory, and healthy anxiety levels.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.

WARNING: Consult your physician before use if you are taking any medications, are pregnant, nursing, or are under 18 years of age. Do not consume more than 900mg (6 capsules) per day.

Discontinue use and consult your doctor immediately if any adverse reactions occur. Do not take BacoMind and operate any heavy machinery until you know how it affects you. Keep out of reach of children.
