

T432 PLUS[®] by ATP Science:

1. Supports Healthy Thyroid Function*
2. Promotes Insulin Sensitivity*
3. Supports Optimal Basal Metabolic Rate*
4. Supports Balanced Adipokine Levels*

T432 Plus derived its name from its function – but we can't tell you what that is with the limited space on this flyer. Did a friend suggest you buy this? Then listen to your friend, they care about you, they are a good friend. However, if a pushy salesperson recommended T432 Plus then don't believe a word that lying little bugger says... go to the ATP Science Facebook page or search #T432plus on Instagram to find out what real people are saying.

DIRECTIONS FOR USE: Take two capsules twice daily with food. Capsules can be opened and sprinkled onto food or added to smoothies as desired.

CAUTION: Do not consume if seal is removed or broken. Keep out of reach of children. Not for children under 15 years of age, or pregnant or nursing women. If you require or are taking medication seek the advice of a qualified physician before use. Store in a cool, dry, dark place out of sunlight.
