

DIRECTIONS: Take 1 serving (2 Rapid-Release Capsules) of **100% Pure Premium Hoodia™** with a glass of water twice daily. Do not exceed 2 capsules in a 4-hour period and/or 4 capsules in a 24-hour period. Consume 8-10 glasses of water per day. Do not take within 5 hours before bedtime. Read the entire label before use and follow directions.

*Our Hoodia is
100% Pure
South African*

South Africa

We Guarantee Our Hoodia!

We use 100% pure South African Hoodia from the remote regions of South Africa in our advanced Rapid-Release Capsules – we guarantee it! Our ultra-modern processing methods maintain temperature, humidity, light, and other critical controls that can impact the Hoodia plant. When we say we guarantee our Hoodia, we mean it!

Powerfully Effective Key Ingredient*

100% Pure Premium Hoodia™ contains a scientifically researched energizing ingredient. This has been shown to boost your metabolism to burn more calories, while giving you the energy to tackle your busy lifestyle.† This product does not replace the need to eat a sensible, balanced diet and to get regular physical activity. It is not a weight control product. This product contains a powerful thermogenic ingredient – do not exceed recommended serving. It is intended to support a healthy lifestyle and should be used with diet and exercise.▲

*The key ingredient (Caffeine anhydrous [1,3,7-trimethylxanthine]) increases metabolism and boosts energy.▲

The Benefits of B-vitamins

B-vitamins are a group of water-soluble vitamins that are essential in cells during the conversion of energy from fat, carbohydrates and proteins. B-vitamins are essential co-factors in energy metabolism and maintenance of good health.▲

OTHER INGREDIENTS: MICROCRYSTALLINE CELLULOSE, GELATIN CAPSULE (SODIUM COPPER CHLOROPHYLLIN, TITANIUM DIOXIDE, GELATIN), DICALCIUM PHOSPHATE ANHYDROUS, MAGNESIUM STEARATE, SILICA.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Consult a medical doctor if you experience unusual symptoms. Consult a medical doctor before use if you have been treated for or diagnosed with, or have a family history of any medical condition, or if you are using any prescription or over-the-counter drugs, including blood thinners. One serving (2 capsules) of this product contains about as much caffeine as one-and-one-half cups of coffee (150 mg). Caffeine sensitive individuals may experience the following symptoms, including (but not limited to), restlessness, nervousness, tremors, headache, anxiety, palpitations, increased heart rate, or difficulty sleeping. Consult a medical doctor before starting any diet or exercise program. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. **Do not use if this packaging has been tampered with.** Store in a cool, dry place (60°F to 80°F). **KEEP OUT OF REACH OF CHILDREN.**
