Nutra-Support® Digestion provides 1,200 mg of lecithin, a natural, healthy fat that promotes digestive function.* By acting as an emulsifier, lecithin helps our body metabolize fats and cholesterol.* It also supports healthy mucus levels within our intestines, which helps maintain digestive health and protects the lining of our digestive system.* Lecithin supports healthy nutrient absorption by the small intestines, and promotes liver and gallbladder health.*

✓ **Gluten-free** ✓ **No Artificial Preservatives**

Due to the natural source of the Lecithin, the color or texture of the soft gel contents may vary. This does not affect the fine quality of this product.
