

Mimosa Pudica Seed is a supplement that supports digestive and intestinal health as well as the immune system. When ingested, it swells to form a gel which can latch onto toxins, bacteria, and other harmful substances in the digestive tract which are later expelled from the body.\*

**Suggested Use:** As a supplement, take 2 capsules per day on an empty stomach. A more aggressive dose is 4-6 capsules on an empty stomach.

**Storage:** Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.
