

This supplement provides inositol hexaniacinate, a form of niacin (vitamin B3) used in Europe for more than 30 years. Inositol hexaniacinate is not associated with the side effects of other, harsher forms of niacin in high levels: flushing, fatigue, and upset stomach. Niacin is well known for aiding fat and cholesterol metabolism, which can have an impact on circulation.*

Integrative Therapeutics' evidence-based natural medicines are the only choice of doctors who rely on the fact base of premier science to deliver patient results.

Dietary Supplement

Supplement Facts

Serving Size 1 capsule

Amount per capsule	%DV**
Niacin (as inositol hexaniacinate)***	590 mg 2,950%

**Daily Value (DV).

Other ingredients: vegetable capsule (modified cellulose), magnesium stearate, and silicon dioxide.

Recommendations: Take 1 capsule three times daily with meals, or as recommended by your healthcare practitioner.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, preservatives, or ingredients of animal origin. This product contains natural ingredients; color variations are normal.

***Niacin is an essential vitamin. Unlike other forms of niacin which may cause side effects such as temporary flushing, itching, and skin reddening, our Niacin is a superior, non-flushing form.
