

Phosphatidylserine is an amino acid compound that is found in high concentrations in the brain. Research suggests Phosphatidylserine supports mental processing speed and accuracy, cognitive function and supports memory when taken as a supplement.\*

**Suggested Use:** Take two (2) capsules per day.

**Storage:** Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.

**WARNING:** Consult your physician before use if you are taking any medications, are pregnant, nursing, or are under 18 years of age. Do not consume more than 900mg (6 capsules) per day. Discontinue use and consult your doctor immediately if any adverse reactions occur. Do not take Phosphatidylserine and operate any heavy machinery until you know how it affects you. Keep out of reach of children.
