

Glutathione is an extremely potent antioxidant produced naturally by the body and plays a key role in limiting cell damage from free radicals. S-Acetyl L-Glutathione is a bioavailable form of supplemental Glutathione, and supports glutathione levels within cells.*

Suggested Use: Take 1 capsule per day with food or as recommended by your physician.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.

WARNING: Consult your physician before use if you are taking any medications. Discontinue use and consult your doctor immediately if any adverse reactions occur. Do not take S-Acetyl L-Glutathione and operate heavy machinery until you know how it will affect you. Keep out of reach of children. Do not exceed 3 capsules per day. Do not take this product if you are pregnant or nursing.
