

Product Information: Saffron is the world's most expensive spice. When the active ingredient Safranal is extracted and standardized, the resulting extract offers many benefits. Studies have shown that it may support appetite control and mood. Saffron Extract achieves its effects by acting on the serotonin system in the body.*

Suggested Use: As a supplement, take 1-2 capsules per day on an empty stomach to support appetite control and mood. Do not exceed 2 capsules in one day.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.
