

Suggested Use: *Take one or two capsules (100-200mg) to boost energy and mental performance. Do not consume more than 4 capsules in one day and space out doses 3-4 hours. If combining with caffeine, take one capsule (100mg) and do not consume more than 200mg of Caffeine.

Product Information: *Theacrine is a small alkaloid molecule which can be seen as a structurally modified version of caffeine. Studies have shown that Theacrine effects the body in a similar fashion as Caffeine with some key difference. Theacrine has a softer crash, is less likely to cause anxiety, and tolerance to Theacrine develops more slowly.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.
