

*Tongkat Ali Extract is an herbal extract that has demonstrated significant libido enhancing effects as well as reducing cortisol and improving one's sense of subjective wellbeing. Some studies suggest Tongkat Ali Extract may also reduce anxiety. Our product is the patented LJ100® version which contains 22% Bioactive Eurypeptides and 40% Glyco Saponins.

Suggested Use: As a supplement for libido and cortisol reduction take one to three 100 mg capsules per day.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.

WARNING: *Consult your physician before use if you are taking any medications. Don't use Tongkat Ali Extract if you are pregnant or nursing.

Discontinue use and consult your doctor immediately if any adverse reactions occur. Do not take Tongkat Ali Extract and operate heavy machinery until you know how it will affect you. Keep out of reach of children.
