

Product Information: Zinc is an essential mineral found in a variety of foods. It is vital for many aspects of health and has a variety of benefits when taken as a supplement. It is often used to support ocular, cardiovascular, and immune system health. Zinc Picolinate is believed to be the most bioavailable form of Zinc supplements.*

Suggested Use: As a dietary supplement take 1 capsule per day with a meal. It is not recommended to exceed 3 capsules per day as this could potentially cause elevated Zinc levels.

Storage: Store in a cool, dark place. Do not freeze or expose to moisture or heat above room temperature.
