

COENZYME Q10 is a vitamin-like compound that plays a central role in cellular energy production.* CoQ10 is found throughout the body, but is especially concentrated in the heart, liver, and kidney. The body's production of CoQ10 has been found to decline with age. Swolverine's CoQ10 softgels aim to support heart health, immune system function, and circulatory system that all play an important role in the delivery of oxygen and nutrients to the body.*

SUGGESTED USE 1 softgel taken 1 to 2 times daily preferably with meals or as directed by a healthcare professional.

CAUTION Do not exceed recommended dose. Pregnant or nursing mothers, children under 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement. This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish.
