LIPOSOMAL VITAMIN C

Vitamin C is a well-known anti-viral agent & enzymatic cofactor for immune potentiation. Liposomal Vitamin C transcends everything you thought you knew about Vitamin C and immunity. A trending fat-soluble ingredient drawn from scientific research that delivers triple the potency of traditional Vitamin C. This Liposomal Vitamin C is formulated through a particular process to ensure lipid compounds are fully preserved. Maximum absorption is guaranteed with an efficacious dose of 1500mg of Vitamin C per capsule.

FRESH NUTRITION

Our goal is to create high-quality natural products using both organic and responsibly sourced ingredients to optimize health and well-being.

RECOMMENDED DOSAGE

Take one to two (1-2) capsules daily with sufficient water before a meal. For a better absorption, it is highly recommended to mix with Milk or a Smoothie via a blender to create your own Liposomal Vitamin C drink.

No Artificial Colors.
No Artificial Flavors.
No Preservatives.

Gluten-Free. Vegan.
Made with Non-GMO,
All Natural Ingredients!

To provide our consumers with complete confidence in our product quality, every batch is 3rd party tested for quality & purity.
