VEGAN

NON GMO

GLUTEN FREE

SOY FREE

5-MTHF

Folate is an essential micronutrient needed for optimal methylation. 5-MTHF is the bioavailable form of folate and it significantly impacts biochemical reactions in the body. When optimal methylation occurs, the body is better able to regulate cardiovascular, neurological, reproductive, and detoxification systems.

FRESH NUTRITION

Our goal is to create high-quality natural products using both organic and responsibly sourced ingredients to optimize health and well-being.

RECOMMENDED DOSAGE

Take one (1) capsule daily with sufficient water before a meal.

No Artificial Colors.
