

000700000981

To assure optimal extraction of Myrrh's aromatic resins & other bioactive compounds, the tears are carefully hand-harvested according to ancient tradition, and are then thoroughly extracted.

We prepare our Myrrh Extract from sun-dried, oleo-gum-resin masses ("tears") which are Custom Wildcrafted™ from *Commiphora abyssinica* &/or *molmol* trees in the deserts of the Arabian Peninsula &/or East Africa.

LIQUID HERBAL EXTRACT

MYRRH

Commiphora abyssinica &/or *molmol*
Oleo-gum-resin Tears

HERBAL SUPPLEMENT
