

PREMIER SCIENCE

This potent extra-strength formula provides high amounts of the pancreatic enzymes that support the breakdown of fats and digestion of proteins and carbohydrates.* Pancreatin 8X is specially formulated to prevent destruction of enzyme activity by stomach acid and pepsin, yet quickly releases its contents when it reaches the alkaline media of the small intestine.*

ITI* evidence-based natural medicines are the only choice of doctors who rely on the fact base of premier science to deliver patient results.

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or preservatives. This product contains natural ingredients; color variations are normal.
