ABOUT TULSI

Throughout India, Tulsi is revered as a sacred plant infused with healing powers, and is lovingly called the "Queen of Herbs". Traditionally grown in an earthen pot in every home, Tulsi (also known as Holy Basil) makes a delicious and energizing herbal tea. Tulsi is an adaptogenic herb which helps your body relieve the negative effects of stress.* Repeatedly noted for 5,000 years throughout sacred Indian scriptures, Tulsi's remarkable life-enhancing qualities are now here for you to fully enjoy. Drinking 3 cups a day is recommended. Namaste!

Directions: Place one heaping teaspoon of Tulsi blend per cup in teapot. Pour boiling water directly on Tulsi leaves. Infuse for 3-5 minutes. Strain and serve.

For 1 quart of Iced Tulsi preparation: Pour 2 cups of boiling water over 8 teaspoons of Tulsi, cover and infuse for 20 minutes. Strain and add 2 cups of cold water and refrigerate. Pour over ice to serve.
