

X000PWS05X

SUGGESTED USE: 1 Vegetable capsule taken 1 to 3 times daily between meals or as directed by a healthcare professional.

WHAT IT IS: As one of the nine essential amino acids, L-Lysine is an indispensable amino acid that cannot be made by the body. Amino acids perform a variety of functions and form the basis for protein. L-Lysine is commonly found in peas and other vegetables. It is used for the health and integrity of the skin & lips while also supporting a healthy immune system.
