PHOSPHATIDYLSERINE

SOY-FREE

*Supports cognitive function
and mental clarity**

60 SOFTGELS

Dietary Supplement

Phosphatidylserine (PS) is a naturally occurring phospholipid, which supports concentration, memory and mental sharpness.* PS assists in regulating membrane transfer of nutrients and neurotransmitters necessary for proper mental function.* It also helps support a healthy endocrine response to mental stress.*

Unlike other forms of PS, Integrative Therapeutics' Phosphatidylserine is derived from sunflower oil and is 100% soy-free.

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, or artificial preservatives. This product contains natural ingredients; color variations are normal.

DISTRIBUTED BY AN FDA-REGISTERED DRUG ESTABLISHMENT FOR

Supplement Facts

Serving Size 1 softgel

Amount per softgel	%DV**
Phosphatidylserine (from sunflower lecithin) (soy free)	100 mg **

**Daily Value not established.

Other ingredients: medium chain triglycerides, gelatin, glycerin, modified sunflower lecithin, antioxidants (d-alpha-tocopherol, rosemary extract, and ascorbyl palmitate).

Recommendations: Take 1 softgel three times daily for one month, then 2 times daily thereafter, or as recommended by your healthcare practitioner. Best results are obtained with continuous use.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.
