

BETA NOX™ is designed to increase your workout intensity using BETASOL™ to recruit more muscle fibers and ARGISOL™ for increased pumps and vascularity.

DIRECTIONS: Consult your physician before taking this or any dietary supplement.

Recommended Use On Training Days: Mix one serving of BETA NOX powder with 4-8 ounces of water, consume 15-30 minutes prior to workout. BETA NOX should not be combined with other items containing caffeine.

Recommended Use On Non Training Days: Consume on an empty stomach.

Warnings: Consult with your physician before using this product if you are unaware of your current health condition or have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver or thyroid disease, anxiety, depression, seizure disorder, psychiatric disease, diabetes, pernicious anemia, difficulty urinating due to prostate enlargement or if you are taking an MAO inhibitor or any other medication. Do not use if you are pregnant, nursing, prone to dehydration or exposed to excessive heat. Reduce or discontinue use if sleeplessness, tremors, dizziness, nervousness, headaches, or heart palpitations occur. This product is only intended to be consumed by healthy adults over 18 years of age. Do not use if you have high blood pressure or heart problems or are contemplating becoming pregnant.

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
