ZARBEE'S STORY

Dr. Zak Zarbock, a pediatrician and father, couldn't find effective chemical-free products to keep the whole family healthy, so he created his own products including handpicked natural ingredients, whenever possible. The result is Zarbee's Naturals.

Our Children's Cough Syrups are specially formulated, proprietary blend of dark honey formulated to safely coat the throat and calm occasional coughs.*

WARNING: This product contains honey and as such it should not be used by children under 12 months of age. Please consult your physician immediately for a worsening condition. **KEEP OUT OF REACH OF CHILDREN.**
