EVIDENCE-BASED

This preparation combines caprylic acid, undecylenic acid, and grapefruit extract with Pau D'Arco and other key botanical extracts. Phytostan is designed to support healthy intestinal function, healthy yeast balance, and optimum gastrointestinal ecology.*

Recommendations: Take 1 tablet three times daily between meals. If you experience nausea when using this product, take with a small amount of food.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.
