Other ingredients:	

INDICATIONS AND USAGE

To provide Vitamin and Mineral supplementation throughout pregnancy and during the postnatal period for both the lactating and non-lactating mother. It is also useful for improving nutritional status prior to conception.

WARNINGS

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under age 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or Poison Control Center immediately.

PRECAUTIONS

Folic acid may partially correct the hematological damage due to Vitamin B12 deficiency of pernicious anemia, while the associated neurological damage progresses.

DOSAGE AND ADMINISTRATION

As a dietary adjunct before, during and after pregnancy, take one tablet daily with a meal, or as directed by a physician.
