Dietary Supplement

Accelerate™ kick starts your metabolism, blasting fat and boosting your energy to all new levels.

This premium thermogenic formula contains ID-aLG™ (a seaweed extract and natural source of vital nutrients) and green coffee bean, which work together to reduce fat, increase your metabolism and boost your energy.

Directions for use: Take two capsules each day with food to boost your energy and metabolism and blast fat.

Accelerate is intended as an aid to weight loss and weight management programs in conjunction with a calorie controlled diet and exercise plan.
