

0 00800 00071 3

The leaves are harvested when the plants are starting to flower, are carefully shade-dried, and then promptly extracted. The essential oil is steam-distilled (solvents are never used) from the fresh (undried) flowering tops.

We prepare our Peppermint Spirits from the dried leaves and the aromatic essential oil of *Mentha piperita* plants which have been **Certified Organically Grown.**

LIQUID HERBAL EXTRACT

PEPPERMINT SPIRITS

Essential Oil & Whole Leaf Extract

Supports Healthy Function
of the Digestive System*
