

0 90800 00010 2

We prepare our Pleurisy Root Extract from the roots of *Asclepias tuberosa* plants which are Certified Organically Grown on our own farm or are Custom Wildcrafted™ in their wild native habitat. To assure optimal extraction of Pleurisy Root's bioactive compounds, the roots are hand-dug only in late autumn or early spring, are carefully shade-dried, and are then thoroughly extracted.

LIQUID HERBAL EXTRACT

PLEURISY ROOT

Asclepias tuberosa
(Butterfly Weed)

HERBAL SUPPLEMENT

1 fluid ounce (29.6 ml)

Pleurisy Liquid Extract
