IT IS RECOMMENDED THAT CHILDREN UNDER 12 YEARS OF AGE, PREGNANT WOMEN OR NURSING MOTHERS OR ANYONE WITH A MEDICAL CONDITION INFORM THEIR PHYSICIAN OF ANY DIETARY SUPPLEMENTS THEY

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Balanced Health Omega is a naturally sourced, uniquely concentrated omega-3 dietary supplement with equal amounts of EPA (eicosapentaenoic acid) and DHA (docosahexaenoic acid) to help support optimal heart health. DHA helps support optimal memory, learning and concentration. EPA helps support nervous system circulatory, and joint health. Supportive, but not conclusive, research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.
