

MULTI-PRO WHEY™ is made from the highest quality protein and fortified with vitamins and minerals to deliver the most complete protein supplement on the market today. Add Multi-Pro Whey™ to your diet to supplement your protein needs, whether your goal is to lose body fat or gain muscle.

These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease. Consult your physician before using.

Directions: Consult your physician before taking this or any dietary supplement. Mix 1 scoop with 6 ounces of water. For added calories and protein, mix with milk. Stir and/or shake until dispersed and immediately drink. Drink one serving upon waking and after workouts. Use additional servings as needed to fulfill your protein requirements.
