Directions:

Take 1 capsule daily.

Do not exceed the recommended dose, unless
advised by your healthcare professional.

If you are taking medication, or under medical
supervision, please consult your healthcare
practitioner before use.

Contraindicated for use in high-risk immuno-
compromised individuals, critically sick infants
and pre-term babies.

Food supplements are not a substitute
for a varied and balanced diet or lifestyle.

Store in the original packaging, at room
temperature, out of direct sunlight, in a dry
place. Keep out of reach of children.
