

400692-1F21

Our Propolis Extract is very rich in flavonoids, and aromatic resins and balsams. It contains minimal amounts of bee's wax and is free of any bee hive paint chips.

We prepare our Propolis Extract from crude Propolis which is collected from honeybee hives. Propolis is an aromatic resin that is harvested and processed by honeybees from the sap of wild-growing trees.

LIQUID HERBAL EXTRACT

PROPOLIS

Resina propoli

Bee-Harvested Tree Resin

HERBAL SUPPLEMENT
