MCT or Medium-Chain Triglyceride Oil is a fast-acting clean energy source for your body.* BUBS' MCT oil is extracted from 100% virgin coconut oil and then absorbed into our highest quality non-GMO tapioca starch for a free flowing powder that blends well into hot or cool liquids. MCT oil delivers a variety of benefits. Caprylic acid, found in MCT, converts into ketones for a boost of energy both physically and mentally.* Together, caprylic acid, and capric acid, the second key component of MCT combine to help support your GI tract and boost your immune system.*

BUBS IS A WAY OF LIFE
INSPIRED BY ONE OF THE TRUE GREATS
WHO LIVED HIS LIFE TO THE FULLEST

BUB was an adventure seeker, a river guide, skier, Ironman competitor, fitness fanatic, chef, gardener, handyman, and epic storyteller. BUB was a national hero... a Navy SEAL who saved lives, was always the life of the party, and became a best friend to all who knew him. That spirit lives within each of us. Join us in bringing out the BUB in everyone. We abide by the 10% rule, where 10% of all profits go to charity.
