Digest Smart EXTRA CARE is formulated with 25 plant-based, raw enzymes that support the digestion of the most problematic foods, and may help prevent occasional gas, bloating, and indigestion.*

Enzyme Activity Values (EAV) are derived from specific, validated tests on the product to measure the ability to break down protein, carbohydrates, fats, and fiber. EAV is an indicator of ability to digest foods.

Good for your Gut!

Your gut is your engine, your digestive core.

Keep it running smoothly at every meal with Renew Life™ digestive enzymes. Our plant-based, broad-spectrum blends promote optimal digestion and nutrient availability so you feel better, lighter, and more energized.*

BENEFITS YOU CAN FEEL

Today's highly processed and cooked foods often lack digestive enzymes, so your body may have to work harder to break down and absorb nutrients, causing occasional gas, bloating, and indigestion.* Our potent enzyme formulas work hard to reduce occasional digestive discomforts and unlock the nutrient goodness found in your food.*

TARGETED DELIVERY

Digest Smart® ZymeGuard™ targeted-delivery capsules resist stomach acid to ensure more active enzymes reach your intestinal tract.*
