

USAGE: Take 1 capsule per day on an empty stomach prior to the evening meal or as directed by your qualified healthcare professional. For best results, use in conjunction with **Jarrow Formulas® QH-absorb®** (ubiquinol).

NOTE: If you have a medical condition (especially diabetes/glucose control problems, gall bladder/bile duct blockages or gallstones, kidney dysfunction or liver disease), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Jarrow Formulas® provides clinically documented **Citrus Bergamot** (*Citrus bergamia*) extract for natural support for healthy blood glucose metabolism.* *Citrus bergamia* grows along the Ionic coast of Southern Calabria, Italy. It contains natural polyphenolic antioxidants, or free radical scavengers, that support blood glucose metabolism and help maintain healthful cholesterol levels already within normal range.*

Keep out of the reach of children.
Store in a cool, dry place.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
