

USAGE: Take 1 capsule 1 to 2 times per day with food or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Jarrow Formulas® Blackcurrant Freeze-Dried Extract contains powerful antioxidants (polyphenols) for reducing eye fatigue and discomfort, providing antioxidant studied protection and promoting vasodilation.*

New Zealand Blackcurrant (Cassis) (*Ribes nigrum* L.) contains 4 times more polyphenols, including the unique eye protectors delphinidin-3-rutinoside and cyanidin-3-rutinoside, than European Blackcurrant and is freeze-dried to better protect its phytochemicals.*

New Zealand Blackcurrant is free of pesticides and grows in an unpolluted area with intense sunlight, which makes it naturally high in phenolic antioxidants.

Keep out of the reach of children.
Store in a cool, dry place.
