

USAGE: Take 2 capsules 3 times per day (for a total of 6) with meals to facilitate maximum absorption, or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, or taking medications (especially warfarin/Coumadin), consult your healthcare professional before using this product.

BoneUp® is a **complete bone-health system** that provides StimuCal™ MicroCrystalline HydroxyApatite (MCHA) and micronutrients for bone health. StimuCal™ MCHA is a natural source of calcium shown to support bone mineral density and not spike calcium levels in the blood with supplementation.* StimuCal™ also provides bone proteins, including type I collagen, which has been shown in clinical research to support bone health.* Vitamins D₃ and K₂ (as natural MK-7 from fermentation) work together to enhance calcium deposition into bones.*

HEALTH CLAIM: Adequate calcium and vitamin D as part of a healthful diet, along with physical activity, may reduce the risk of osteoporosis later in life.

Keep out of the reach of children.

Store in a cool, dry place.
