

Brahmi

Brahmi / Bacopa (Bacopa monniera) is an excellent rejuvenative for the mind and nervous system. It is one of two herbs commonly known as the legendary "Brahmi" of the ancient Ayurveda. An amazing herb that has been used for centuries to promote memory, intelligence and concentration. Bacopa supports the proper function of the brain and nerves, bringing balance to the nervous system while promoting clarity and awareness.

Brahmi in general support:

- Rejuvenate the mind and alertness*
- Promote proper function of the nervous system*
- Promote memory and concentration*
- Calm and clear the mind*
