

Licorice

Licorice Root Powder is one of the major herbs used in core Ayurveda. It is commonly used for its wide spectrum of health and wellness benefits. In the ancient times kings and soldiers used licorice.*

A good quality licorice may ease congestion and coughing by helping to loosen mucus in airways, and known to support heart burns, gastric, healthy digestion, easy breathing, and boosts immune health.*

It is also widely used in many dental, skin and hair benefit products.*

- Supports cleansing function of the respiratory system*
- Supports soothing function of the digestive system*
- Supports boosting the skin, dental and hair health*
- Removes excess kapha from the stomach and lungs*
- Balances various doshas of human body*

Organic Aura Licorice Root Powder is 100% pure and fresh, ground using the top quality Licorice Root from a single source, grown by traditional organic farming in the highly enriched valleys of India.
