MASSPORT

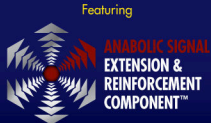

...extends and reinforces the stimulus of training so

that every workout yields bigger, stronger muscles, not just some of them. Each ingredient in its Multi-Layered Stimulus Reinforcer Network™ spreads with capillary-like action into every nook and cranny of muscle, including individual muscle fibers and the extracellular and intravascular spaces, causing it to expand, solidify and grow even after workouts which might have otherwise lacked sufficient myotrophic power to produce gains.

MASSPORT™ turns the single-lane "country road" of contemporary post-workout formulas into an unprecedented 32-lane myotrophic "superhighway" that keeps the training stimulus alive & building long after your last rep.

Bursting with flavor, MASSPORT™ supports accelerated and sustained post-workout gains in:

- Whole-muscle mass, strength, shape, definition & hardness
- Plasma volume, vascularity & fullness
- Blood glucose recovery & energy stabilization
- Whole-body glycogen & protein anabolism
- Optimization of muscle adaptation, growth & contractile performance

NEW

MASSPORT™

PORTAL FOR MAXIMUM

MASS GAINS

DIETARY SUPPLEMENT

POST-WORKOUT MYOTROPHIC STIMULUS REINFORCER
6 Layers of Training Stimulus Reinforcing & Extending Action*
Amplifies Anabolic Signaling Strength of any Workout*
Expands & Solidifies Every Conceivable Corner of Muscle Tissue*
Maximizes Muscle Adaptation, Mass & Strength Gains*

Natural & Artificial Flavor

MASS-ACTION

HIGH-ACTION MASS-BUILDING FORMULA.
RECOMMENDED FOR ADVANCED LIFTERS ONLY.

Other Ingredients: Natural and Artificial Flavors, Citric Acid, Malic Acid, Sucralose, Silica, Soy Lecithin, FD&C Red 40 and FD&C Blue 1

Creatine Magna Power® is a registered trademark of Albion Laboratories, Inc., and covered by U.S. Patent 6,114,379.

Contains soy.

	Amount Per Serving	% DV
MassPort™ Multi-Layered Stimulus Reinforcer Network™	32,834 mg	†
Glyco-Anabolic Carbon Polymer Component™:	20,112 mg	†
Maltodextrin, Waxy Maize, Gymnema Sylvestre Leaf Extract, Fenugreek Seed Powder (4-Hydroxyisoleucine), Chromium Polynicotinate		
Osmotically-Active Tissue Expansion Component™:	4,998 mg	†
Taurine, Mannitol, 1,2,3 Trihydroxypropanol (Glycerol), Betaine		
Anabolic Signal Extension & Reinforcement Component™:	4,004 mg	†
L-Leucine, L-Glutamine, L-Glutamine AKG, L-Valine, L-Isoleucine		
Creatinated Energetic Substrate Component™:	3,020 mg	†
Dicreatine Malate, Creatine MagnaPower® Creatine Magnesium Chelate, Creatine Pyruvate, Creatine Decanoate		
Membrane Polarity Support Component™:	700 mg	†
Potassium Citrate, Sodium Chloride, Dimagnesium Phosphate		

** Percent Daily Values (DV) are based on a 2,000 calorie diet.

† Daily Value (DV) not established.

Your Daily Values (DV) may be higher or lower depending on your calorie needs.

SUGGESTED USE:

Mix 1 scoop of Massport with 12-16 oz. of cold water (to desired taste) and drink immediately following your workout. For maximal results, consume a normal meal with at least 25 grams of high quality protein one hour later.

WARNING:

Do not exceed recommended dose. Not intended for use by those under the age of 18 or those with a medical condition. Consult a physician prior to use if you are pregnant, contemplating pregnancy, nursing, or have any medical condition. Do not use if tamper evident seal is broken.
