

EVIDENCE-BASED

Sil-150™ milk thistle extract is standardized for consistency to contain 80% silymarin, a flavonoid compound that has a tremendous effect in protecting the liver and enhancing detoxification processes.\* Silymarin acts as an antioxidant many times more potent than vitamins E and C.\*

This formula was developed in accordance with the safety and efficacy standards set forth by the German Commission E, which is the worldwide recognized authority for effective herbal remedies.

Contains no salt, yeast, wheat, gluten, corn, dairy products, artificial flavoring, or preservatives. All colors used are from natural sources.
