

USAGE: Take 1 capsule per day with water or juice on an empty stomach or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

PharmaGABA® is GABA produced through natural fermentation by *Lactobacillus hilgardii*. Clinical studies show that PharmaGABA® can increase alpha-waves and reduce stress-related beta-waves, thus helping to promote calmness while maintaining mental focus.* Theanine, found in green tea, supports relaxation without drowsiness and may improve learning by affecting brain dopamine and serotonin.* Sensoril® ashwagandha extract is clinically studied to reduce fatigue, tension and exhaustion associated with everyday stress.*

Keep out of the reach of children.

Suitable for vegetarians/vegans.

Store in a cool, dry place.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
