

0 90700 00355 5

To assure optimal extraction of Rhodiola's bio-active flavonoids and delicate rose flavor, the roots are hand-harvested at their optimal potency, are carefully shade-dried, and are then shipped to our laboratory and thoroughly extracted.

We prepare our Rhodiola Extract from the dried roots of *Rhodiola rosea* plants which are hand-harvested in their wild native habitat in the Russian Arctic Circle.

LIQUID HERBAL EXTRACT

RHODIOLA

Rhodiola rosea

Russian-Harvested Whole Root
