Good for your Gut!

Your gut is your engine, your digestive core.
Keep it running smoothly with Ultimate Flora™
Probiotics. When taken regularly,
Bifidobacteria and *Lactobacilli* help promote
digestive and immune balance so you
feel better, lighter, and more energized.*

POWERFUL & EFFECTIVE

Did you know there are 100 trillion bacteria inside your
digestive tract? To keep that complex system thriving, our
high-potency formulas work hard to provide the good of the
good-for-you bacteria that occur in a naturally healthy gut.*

MULTI-STRAIN BENEFITS

Having a good balance among all the diverse microbes
in your gut is key to well-being. But stress, aging, diet,
and other issues can upset this delicate equilibrium.
Ultimate Flora Probiotics are made with multiple, scientifically
studied strains to support digestive balance and harmony.*
