LIQUID HERBAL EXTRACT

RHUBARB

Rheum palmatum

Decorticated Rhizome & Root

HERBAL DIETARY SUPPLEMENT

4 Fluid Ounces (118.4 ml)

We prepare our Rhubarb Extract from the rhizome & root of *Rheum palmatum* plants which are Certified Organically Grown without the use of chemical fertilizers, pesticides or herbicides.

To assure optimal extraction of Rhubarb's bioactive compounds, the rootstock is harvested in late autumn or early spring, is deprived of its crown, rootlets & outer bark, is carefully slow-dried, and is then thoroughly extracted.

Dry herb / menstruum ratio: 1 : 4

Contains certified organic grain alcohol (70-76%), distilled water & Rhubarb extractives.
