We prepare our Sarsaparilla Extract from the roots of *Smilax (ornata) regelii* vines which are **Custom Wildcrafted™** in their wild native habitat in the mountains of Jamaica.

To assure optimal extraction of Sarsaparilla's bioactive compounds, the roots are hand-dug and carefully sun-dried, and are then thoroughly extracted.

LIQUID HERBAL EXTRACT

SARSAPARILLA

Smilax (ornata) regelii
Wild Jamaican Root

HERBAL SUPPLEMENT
