THERAPEUTICS, INC.

TYLER™
SIMILASE®
SENSITIVE STOMACH

digestive enzymes with
soothing demulcent herbs*

90 VEG CAPSULES

Dietary Supplement

Physician-formulated Similase® Sensitive Stomach combines Pure Plant Enzymes™ with the demulcent herbs, marshmallow and slippery elm, to provide gentle support for the GI tract.* Gamma-oryzanol and licorice root complement the demulcent herbs for soothing gastric mucosa support, and protease is omitted due to its potential for irritation in sensitive patients.*

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, preservatives, or ingredients of animal origin. This product contains natural ingredients; color variations are normal.
