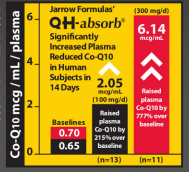
**USAGE:** Take 1 softgel once or twice per day with a meal or as directed by your qualified healthcare professional.

**NOTE:** If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

QH-absorb® + PQQ™ combines the reduced, active, antioxidant form of Co-Q10—which is significantly better absorbed than ubiquinone—with PQQ, which promotes the production of new mitochondria.* This combination supports both heart health and cognitive function.*



**Keep out of the reach of children.**
**Store in a cool, dry place.**

Q+®, Kaneka QH®, Kaneka Ubiquinol™ and the quality seal™ are registered or pending trademarks of Kaneka Corp.
