

EVIDENCE-BASED

Spectra Probiotic is a well-tolerated multi-probiotic formula that provides both beneficial intestinal bacteria and growth factors known to promote recolonization.* It combines 8 strains of highly-concentrated, viable microflora in a base of fructooligosaccharides (FOS) and N-acetyl D-glucosamine (NAG).

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, artificial coloring, artificial flavoring, or preservatives. This product contains natural ingredients; color variations are normal.
