

EVIDENCE-BASED

Our Spectra Probiotic LiveBac® offers both probiotics and prebiotics in a convenient caplet that does not require refrigeration. Made with Superior LiveBac process, our Spectra Probiotic LiveBac caplets are stable at room temperature. This formula provides a proprietary blend of 8 strains of viable microorganisms in a base of fructooligosaccharides (FOS) and N-acetyl D-glucosamine (NAG).

Superior LiveBac Process

Each caplet contains 1 billion viable microorganisms at time of manufacture. Each caplet contains a freeze-dried blend of microorganisms. LiveBac® process ensures optimum viability and stability at room temperature.

LiveBac® is a registered trademark of Nutraceutix, Inc.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.
