We prepare our Shatavari Extract from the roots of *Asparagus racemosus* plants that have been Certified Organically Grown without the use of chemical fertilizers, pesticides or herbicides.

To assure optimal extraction of Shatavari's bioactive compounds, the roots are hand-harvested at their optimal potency, carefully shade-dried and are then thoroughly extracted.

Other Ingredients: Distilled water & certified organic grain alcohol (33-43%).

Our Shatavari is never fumigated or irradiated.

Dry herb / menstruum ratio: 1 : 5
